

PMB092
PM-LIST CATEGORY 5 FOR RANGELAND COMMISSION

PROGRAM FUNCTION:

This program provides a report listing parcels with category 5 in Parcel Master and has the option to put the report on tape or download to a text file on the PC so it can be sent to the Idaho Rangeland Commission.

REQUIRED RESPONSES SUPPLIED BY OPERATOR:

- 01 Do you want to output the file? (Y or N)
- 02 If 'Y' on #01: Tape (Y or N)
Download to PC (Y or N)
- 03 If 'N' on #01: Sort by Parcel or Alpha? (P or A)
- 04 Limits
- 05 Parcel types and location codes
- 06 Printer prompts

OUTPUT SUMMARY:

The report lists the parcel number, owner's name, and quantity of category 5 acres for each parcel. It also prints the total number of parcels, a grand total for acres, and shows the prompt responses. If you are emailing to the Rangeland Commission, then you may want to delete this report from your spool file or download the spool file to email along with the text file.

The tape lists the name, county number, parcel number, address, and total quantity of category 5 acres for each parcel.

The text file lists the name, county number, parcel number, address, and total quantity of category 5 acres for each parcel. Instructions for downloading are available from Technical Support.

SPECIAL CONSIDERATIONS:

Send the report and the tape **or** the text file **by the 3rd Monday in July** to:
